An Obligation

Therefore, brothers, we have an obligation – but it is not to the sinful nature, to live according to it. For if you live according to the sinful nature, you will die; but if by the Spirit you put to death the misdeeds of the body, you will live, because those who are led by the Spirit of God are sons of God.

Romans 8:12-13 (NIV, 1984)

The devil would like us to believe that we are obliged to give into our sinful nature - after all, it's so prevalent and invasive. I mean, we are only human, right? This line of thinking is deceptive.

God tells us we do have an obligation - but it is not to our sinful nature. Our obligation is to **put to death** the misdeeds of the body **by the Spirit**. Even though we are simple humans, God's own Spirit lives in us and gives us the power necessary to slay the sin monster.

Never believe the lie that "you just can't help yourself." You are not compelled to sin. When your willing heart is combined with God's Spirit, you **can** win the battle. Live out your true obligation.

H&P Products Make Great Gifts!

We are sure there is someone on your Christmas list who would love to receive one of our devotionals or DVDs. We recently sold 25 copies of *Living In Awe* to one woman who is giving the book to everyone on her list.

We especially want to highlight the DVD from last year's luncheon:

Christmas Outside the Box.

Whether you were there in person or not you will want to have and share this message with others. Learn about the glory of God - first contained in the Holy of Holies, then released through the cross of Christ, and finally fully realized when the New Jerusalem descends from heaven.

Also available are *The Heaven Event* DVD and two devotionals: *Real Life, Real God, Real Hope!* and *Living In Awe!*

Please use the enclosed order form to purchase books and DVDs. (DVDs are \$15, books are \$13 – or save on both books for \$22, all prices include tax plus shipping.)
